Fall Night Hike and Campfire for Girl Scouts

Friday, October 21, 2011

7:00-9:00 p.m.

Join us at Welkinweir for a night of fun and educational programming. Enjoy stories and smores around the campfire, followed by a night hike in search of nocturnal animals. Then observe the night sky through amateur telescopes. *Bring flashlights and 'sit-upons'*. Event runs rain or shine. In case of clouds or rain, activities may replace night sky observation.

Event is for Girl Scouts ages 6 to 12 with adults.

Fees: \$12 per person. Advanced registration required.

Girl and Boy Scout Programs
Fall 2011 through Spring 2012

Girl and Boy Scout programs fulfill many of the necessary requirements for various badges relating to the natural environment. In order to further Scouts' appreciation and understanding of the natural world, programs include hands-on activities, which accompany exploration of the forests, fields and streams of our 197-acre headquarters, Welkinweir, an arboretum and nature sanctuary.
